

The West Chester Area School District's Preschool Parents Group Presents:

Stories to Life

**When: Wednesday February 7, 2024
from 5:00pm—6:00pm**

**Where: Westtown Thornbury
750 Westbourne Road , West Chester, PA 19382**

Join us to bring stories to LIFE! At LIFE Therapy, we are all about Learning Independence through Functional Experiences. For little ones, stories are a great way to boost imagination, overcome fears, and build confidence. In this occupational therapist led session, we will link our story with movement and then, complete a craft based on our book.
