Field Trip Procedure

The first day of Spring is coming next week!! With Spring comes field trips – have you had your license scanned after February 1st in the Raptor system? Please make sure to stop by the office if you plan to be a chaperone for your child's upcoming field trip. All three clearances are needed to be a chaperone for a field trip. Chaperones are decided by the student's teacher.

Clearances

Please be sure to check your clearances to make sure they are not expired or expiring soon. We have a few that came to our attention that do expire soon. If you do not have a copy of your clearances, please email mmacpherson@wcasd.net to have her check them for you. Clearances are good for 5 years. If your clearances are expired or expiring soon, we will need updated ones as soon as possible if you plan to go on any field trips or work in the library this school year.

Barnes and Noble Night

EGE's annual Barnes and Noble Night is coming soon, on Friday April 3rd! The event takes place at the Exton Barnes and Noble and will feature student performances on the 1st floor starting at 6:30 and student artwork on display upstairs all weekend. All purchases made benefit the library - just remember to say you are from EGE when you get to a register. Hope to see you there!
