1:1

- All students will be given a laptop to utilize for school work while at school and at home
- The laptop must come to school everyday with the student
- Student will keep the laptop until graduation
- Students will be provided with an orientation to the new laptop. This will include instruction on computer literacy skills
- Laptop Internet is filtered both in school and at home

Some extras we need to work together on ...

- Empathy
- Connection
- Student Skills
- Stress
