

Exton Elementary presents...

The Eagle's Nest

Exton has a new program, the Eagle's Nest. The purpose of the Eagle's Nest is to provide families new to Exton Elementary School with a parent liaison that knows the ins and outs of our school. By fostering these relationships, we strengthen our school community.

Are you wondering if you have what it takes to be a part of the Eagle's Nest?

Some of the responsibilities for being a part of the Eagle's Nest include:

- Providing families with a positive outlook regarding Exton Elementary
- Reaching out and initiating communication with new families (templates will be provided)
- Being available to families to answer questions and share information about Exton Elementary activities and events
- Attending an introductory 'meet and greet' on Tuesday, September 4th prior to the EXE Welcome Social. We will invite new families to join us at 5pm that evening for a 'meet and greet' prior to the entire community joining us at 6pm.

[If you're interested in joining the Eagle's Nest, please click here to sign up!](#)

Once we have interested parents, we will reach out with more information.

If you have any additional questions, please contact:
