

Study Island “How-To” PSSA Review Assignments

Login Information:

The login process is exactly the same as what you used in elementary school.

- Website: www.studyisland.com
- To access Study Island without issues, use FIREFOX!!!!
- Student Usernames: wc then YOUR district login. See the **examples** below:
 - 6th grade – wc20cromwellc
 - 7th grade – wc19cromwellc
 - 8th grade – wc18cromwellc
- Student Password: Student ID Number (lunch code)

PSSA Review Assignments

When you login to Study Island, you will see your class page. Click on the class page.

The screenshot shows the Study Island dashboard for a user named 'Fugett Jr'. The top navigation bar includes the Study Island logo, user profile, messages, and school information for 'J R FUGETT MIDDLE SCHOOL' on Thursday, December 19, 2013. A sidebar on the left contains menu items like 'Main Menu', 'My High Scores', 'My Class', 'My Reports', 'Custom Material', 'PA Programs', and 'US Programs'. The main content area is titled 'My Class' and features a prominent blue button for '7th Grade 2013-2014' with a green plus icon and a 'Get Started' link. A yellow arrow points from the text above to this button.

In your class page, you will see the 10 assignments for PSSA prep. The Assignments are listed by week in the order that they are due. You can see the number of topics assigned. Students will be asked to complete 2-3 topics per week. Click on an assignment.

The screenshot shows the '7th Grade 2013-2014' class page. At the top, there is a 'Message Teacher' button and a minus icon. Below is a table with columns for 'Sort by: Due Date', 'Topics Passed', and '% Correct'. The table lists four assignments:

Assignment	Topics Passed	% Correct
MM7 Week 1: 1/6-1/10 Due: Fri, Jan 10, 2014 (end of day)	0/3	0%
MM7 Week 2: 1/13-1/17 Due: Fri, Jan 17, 2014 (end of day)	0/3	0%
MM7 Week 3: 1/20-1/24 Due: Fri, Jan 24, 2014 (end of day)	0/2	0%
MM7 Week 4: 1/27-1/31 Due: Fri, Jan 31, 2014 (end of day)	0/2	0%

A yellow arrow points from the text above to the first assignment row.

You will see the specific topics assigned for that assignment. You will check the box next to the topic you wish to complete. Students should complete only ONE (1) topic at a time. NOTICE that students can access a “Lesson” for every topic. When you click on the lesson link, it will open in a new window. It is recommended that you open the lesson and leave that open to refer to while completing the assignment.

MM7 Week 1: 1/6-1/10 [Start Studying](#) [Message Teacher](#)

<input type="checkbox"/>	Topic	Your Results Items:Score	Passing Goal Items:Score	Grade
<input checked="" type="checkbox"/>	1. Compare & Order Numbers - Lesson	0 :-	10 : 70%	-
<input type="checkbox"/>	2. Order of Operations - Lesson	0 :-	10 : 70%	-
<input type="checkbox"/>	3. Ratios & Proportions - Lesson	0 :-	10 : 70%	-

Note: The statistics above are based on your start date which is 12/18/13

Number of Questions:

[Next](#) [Cancel](#)

Notice, you can still access the lesson by the link.

Now, you are given your first problem to solve.

Question Number: 1 of 10

Session Score: (0/0) 0.0%

[Comment on Question](#)

[Reference Sheet](#)

Compare & Order Numbers

1. Identify the missing symbol.

$$\frac{7}{5} ? 1\frac{2}{5}$$

A =

B <

C >

END STUDY SESSION

Chose the correct answer from the choices on the left.

Question Number: 1 of 10

Session Score: (1/1) 100.0%

[Comment on Question](#)

[Reference Sheet](#)

Compare & Order Numbers

1. Identify the missing symbol.

$$\frac{7}{5} ? 1\frac{2}{5}$$

★ =

<

>

Next Question

Explanation

END STUDY SESSION

A star signifies the right answer. You can choose Next Question to navigate to the next question or click on Explanation for information on what makes the problem correct.

When you choose an incorrect response, you will see a red X. You then get the option to choose the right answer.

Compare & Order Numbers

2. Identify the missing symbol.

$0.2 ? \frac{3}{10}$

>

<

=

[END STUDY SESSION](#)

REMEMBER: after you choose the right answer, you can look at an explanation for help or refer to the lesson window you opened before starting the assignment.

Question Number: 10 of 10 Session Score: (8/10) 80.0%

Compare & Order Numbers

10. Select the correct symbol.

$-517 ? -536$

[END STUDY SESSION](#)

[Comment on Question](#)
[Reference Sheet](#)

Other important information:

- Number of questions completed
- Session Score
- Reference Sheet – VERY HELPFUL!!!

When you have completed all of the questions, you will be given the following options. If you choose “Go Through Missed”, you can review the questions you got incorrect or “End the Session”.

Session End

You have answered all of the questions

[Go Through Missed](#) [End Session](#)

After completing a session, you can see your progress listed. As you can see, I earned a “Blue Ribbon” by passing the “Compare & Order Numbers” Topic

MM7 Week 1: 1/6-1/10 [Start Studying](#)

<input type="checkbox"/>	Topic	Your Results Items:Score	Passing Goal Items:Score	Grade
<input type="checkbox"/>	1. Compare & Order Numbers - Lesson	10 : 80%	10 : 70%	P
<input checked="" type="checkbox"/>	2. Order of Operations - Lesson	0 : -	10 : 70%	-
<input type="checkbox"/>	3. Ratios & Proportions - Lesson	0 : -	10 : 70%	-

Note: The statistics above are based on your start date which is 12/18/13.

Assignment Progress

% Correct: 80%	Correct/Total: 8 / 10
----------------	-----------------------

Next, I would need to choose the next topic “Order of Operations” and Start Studying. REMEMBER: students should only attempt ONE (1) topic at a time and choose a minimum of 10 questions to complete.

You can also view your progress on the assignment when viewing the class page as below. Notice, for MM7 Week 1: 1/6-1/10, I have passed 1 out of the 3 topics assigned.

7th Grade 2013-2014 [Message Teacher](#)

Sort by: [Due Date](#)

	Topics Passed	% Correct
MM7 Week 1: 1/6-1/10 Due: Fri, Jan 10, 2014 (end of day)	1/3	80%
MM7 Week 2: 1/13-1/17 Due: Fri, Jan 17, 2014 (end of day)	0/3	0%
MM7 Week 3: 1/20-1/24 Due: Fri, Jan 24, 2014 (end of day)	0/2	0%

Important Information

There are TEN (10) weekly assignments for each grade and students will be asked to complete them by the due date given. These assignments will be **GRADED** and recorded in the gradebook according to the guidelines set by your math teacher.

You can always work ahead on a future topic!!!

After the due date has passed, there will be a LATE assignment option given. Please speak to your teacher about their requirements/grading penalties for not completing an assignment on time. It is the EXPECTATION from Mr. Cromwell, the Math Specialist, that the students will complete all of the topics as we prepare for the PSSA assessments.

Options for Support/Help

Mr. Cromwell, the Math Specialist, will be available during 6th, 7th, and 8th grade lunches on Wednesday and Fridays. 6th and 7th support will be in the 212 computer lab and 8th grade support will be in the 112 computer lab. Students can pick up a laminated pass from their math teacher, or outside Mr. Cromwell's office, room 222. Additional help can be given by emailing ccromwell@wcasd.net.
