## **GAGA BALL PIT INSTALL HELP NEEDED!**

A GAGA Ball Pit is coming to our PW playground! We need some handy volunteers to help put it together - date is most likely Saturday February 29 or Sunday March 1 (both in morning). We are working on the shipping right now. Steve Wark will lead but we could use several helpers - each composite board is 45 lbs. Should be only a few hours of work. If you think you may be available, please let Sherri Wark know [sherriwark@yahoo.com](mailto:sherriwark@yahoo.com)

Steve will contact you with more specific details as we get closer.  
\*\*We may also need a few people to help unload the truck sometime on Friday Feb 28th - time TBD but during the day. Probably 30-45 minutes.

From the Nurse's Office...

Penn Wood as well as the surrounding community continues to be bombarded with the flu and stomach virus, both of which take several days to recover from. I have attached the recommendations from the National Association of School Nurses on, **Should I send my child to school with this illness?** I am sure these recommendations look familiar as I have been urging you to follow them all year. Please refer to them when trying to decide if your child should be in school or not.

If your child is sick, please allow him/her time to recover fully—don't rush them back to school. If have any questions, please don't hesitate to call me at 484-266-1906. We appreciate your cooperation in trying to prevent all these germs from spreading any further!
