

Peirce Middle School 5 P.M. Afterschool Activity Pickup

When picking up your child at 5 p.m. from afterschool activities, in order to do so safely and keep Burke Road as unobstructed as possible, please read and adhere to the below “Dos” and “Don’ts.” The 5 p.m. afterschool activity procedures differ from that of our normal 2:45-3:00 p.m. pickup due to lack of staff and school buses, coupled with the availability of a great number of parking spaces in the main lot.

Do:

1. Feel free to *carefully* pull around to the left of the last car in the car line once it has passed the crosswalk at the end of the bus platform and come to a stop.
2. *Carefully* pull into any of the numerous parking spots that should be available in the main parking lot at that time of day.
3. *Carefully* back out of parking spaces after being sure that there are no pedestrians or oncoming vehicles to the rear of your car.
4. Observe the 15 mile per-hour speed limit that is posted throughout the parking lot and driveways at all times.

Do not:

1. Pass a car on its left before it stops beyond the crosswalk.
2. Cross a yellow double line for any reason at any time.
3. Enter the main lot through its exit (this cannot be done without crossing a double yellow line).

Thank you for your help in keeping Peirce safe for our students, staff, parents, and other visitors.

Mr. Joe DiAntonio
Principal
