

Where can I get a sports physical?

The PIAA Comprehensive Initial Pre-Participation Physical Evaluation (CIPPE) is mandatory for all athletes who plan on participating in a sport at Henderson. The CIPPE may not be performed earlier than the June 1st prior to the upcoming school year and shall be effective, regardless of when performed during a school year, until the next May 31st.

Section 6 of the PIAA CIPPE needs to be completed and signed by an Authorized Medical Examiner and submitted to FamilyID.

The following locations offer sports physicals at a low price with no appointment necessary. Call for the most up-to-date information:
