August, 2018

Dear Parents and Students,

The summer is almost over, which means that the school year will be starting soon. The Henderson administration and support staff have been busy getting ready for another exciting year. The custodial staff worked extremely hard and the school looks great. Our staff is excited to see students back in the classrooms.

The WCASD has emailed all school information regarding the upcoming school year. Here is a link to that information on the district homepage in case you did not get the previous correspondence: <https://www.wcasd.net/Domain/2091>. Student schedules will be accessible via the student and parent Powerschool portal on **August 16**. If your child has a scheduling error, please return the scheduling error form to the guidance office. In addition, if you would like your child to drive to school, please return the signed form along with registration payment to the main office.

Last year, Henderson High School had another wonderful year academically. The School Performance Profile continues to be ranked high throughout the state. Additionally, we had over 100 juniors inducted into the National Honor Society last spring. Henderson High School was recognized as one of the top high schools in the country and state of Pennsylvania by U.S. News and World Report (29<sup>th</sup> in the state out of 663 schools), Niche (36<sup>th</sup>), and Schooldigger.com (26<sup>th</sup>). We are very proud of our students' accomplishments and I am confident that our students will continue to achieve greatness.

In addition, our students had tremendous success beyond the classroom. Last year, Henderson High School won five Ches-mont League Championships, two District One Championships, and had numerous musicians recognized at the district, regional, and state level. We had over 80% of our students participate in at least one extracurricular activity. I strongly encourage all of our students to participate in a club, activity, or sport. Henderson High School has much to offer and I am extremely proud of all of our accomplishments both in and out of the classroom.

The entire Henderson High School Administration Team wishes you a wonderful last few week of summer. We look forward to working with your children for another outstanding year!

Sincerely,

Jason P. Sherlock  
Principal
