

BAYARD RUSTIN HIGH SCHOOL

THE GOLDEN KNIGHT

December 3, 2019

Dear parents and families,

I hope that everyone had a very nice Thanksgiving, and that the break brought with it time for family, fun, and some rest!

We are getting a jump on our holiday drives. Please see the information below and help us help the community this holiday season! I will also be in touch soon about helping families in need.

Thank you for your help!

Holiday Drives

Rustin Dance Team - Donation Drive for Maddi's Bag

The Rustin Dance Team is collecting NEW supplies in support of Maddi's Bag comfort bag program for young trauma patients at Children's Hospital of Pennsylvania, now through December 20th! Collection boxes will be available in the Main Lobby for donating coloring books, crayons, markers, art books, puzzles, stickers, games, journals, books, magazines, and decks of cards. Your donation will help Maddi's Bag provide appropriate activities that minimize

stress, foster greater communication and help reconnect families during recovery from these near fatal accidents.

The Rustin BSU is collecting unused travel size personal hygiene products from Dec. 6th through Jan. 13th. These products will be packaged to create hygiene kits for the homeless in West Chester. Donations can be placed in the boxes in front of the Main Office. Thank you for supporting our community

The National Art Honor Society will be hosting the **3rd Annual Art of Giving** at the WC Christmas Parade on Friday at 6:30 PM.

Over twenty Rustin Art Honor Society Students created and donated 4x6" prints of original art which have been wrapped and will be given out at random to parade goers this Friday. Each gift includes an original piece of artwork and a well wish for the holidays from our students.

Additionally, Saturday will mark the 5th year of the Rustin Art Honor Society's participation at the **Holiday Hope Chest** hosted by TCHS Brandywine, December 7th 10-11AM. Fifteen of our students will be volunteering their time. Holiday Hope Chest (HHC) provides an interactive event where community members (students, volunteers) create and establish a Holiday shopping experience for families in the community who are experiencing financial hardship that year.

The shoppers will receive vouchers from local community agencies, which they will exchange for Holiday Hope Chest Dollars on their designated shopping day, enabling them to pick up items for their loved ones in time for the holidays. Community agencies will identify eligible individuals and families. The size of the project is dependent on the number of partners participating.
