

Instructions for Summer Reading Life Posters

Dear Boys and Girls,

Hillsdale teachers are expecting their students to read this summer! Wouldn't it be fun to come to school in August with a "Summer Reading Life" poster that will advertise your reading life during the summer? These posters will be decorating your classrooms and hallways next fall. On the back of this letter is a sample poster.

As summer progresses, you should work on your poster. When creating your own poster, it could look almost like a scrapbook page, using photos, drawings, and pictures. Consider including some of the following:

- **a list of at least six book titles
 - **a favorite place to read (consider using a photo or drawing)
 - **a favorite genre
 - book cover
 - **favorite author
 - illustrations connected to the book
 - book recommendations
 - any other summer reading related activity
- ** = all posters should have these items
- Posters should be no larger than 11X18 in size
- Please bring your poster to school on the first day of the 2018-2019 school year!

Have a great summer!!

Your Teachers at Hillsdale
