- I request that my child be placed in the courses I have selected and listed above. I have discussed the selections with my child's teacher and understand why my child did not meet the criteria for the particular courses. However, after careful consideration of these criteria, I still believe that the courses we have selected represent the appropriate placement for my child.
- I understand and accept full responsibility to provide my child with any support or remediation that may be needed to ensure his/her success in this course.
- I fully understand that a request to reverse this waiver and place my child in the class originally recommended by the teacher is not guaranteed. Placement in the original teacher recommended course after my request is approved is based upon availability, considering predetermined class sizes. If the original teacher recommended course has reached the maximum capacity, my child will remain in the course I requested.
- I fully understand that waiving into this course does not guarantee placement in this course.
- I understand that this agreement does not allow a student to skip prior coursework needed to fulfill a course prerequisite.
