

COUNSELOR'S CORNER

News From Your School Counselor

Hello Wildcats! As always, I hope that this email finds you and your family safe and healthy! And, I hope you were able to disconnect from digital learning in order to relax and have fun with each other over the spring break!

I sent a Wellness Challenge out the first week we were off . . . and students could earn blue tickets for completing the challenges. I had a student return his completed tally sheets to me last week. If anyone would like to email their tally sheets back to me, I will keep them until we return to school (whenever that may be) and I will make sure the students get their blue tickets. Of course, this will not be possible for our current 5th grade students, but I would still love to get those completed tally sheets. Once you scan the tally sheets, please email them to me at mblaker@wcasd.net.

Attached you will find a Spring Nature Scavenger Hunt. Hopefully this will be something fun your child(ren) can do on sunny spring days. It will get the kids outside, having fun and getting some physical activity!

Also, below is a link to Second Step, which is the program the district uses to provide pro-social skill lessons to students K-5. This link takes you directly to a site they have set-up for parents and educators during this pandemic. It provides some great resources for you and your child(ren).

www.secondstep.org/covid19support

As always, please let me know if I can be of any assistance to your child(ren) or you.
