

Rising 5th Grade Focus Standards

The WC Summer Academy will offer small group interventions in Reading/Writing, Math, and Social-Emotional Learning.

English Language Arts

Foundational Skills

- I can use my analysis of word structure to help me decode unfamiliar multisyllabic words.
- I can read on-level text with accuracy and fluency with purpose and understanding.

Fiction

- I use evidence from the text to make inferences, draw conclusions, and determine a theme of a story, drama, or poem.
- I use the writing process to routinely produce clear and coherent writing in which the development and organization are appropriate to task, purpose and audience.

Nonfiction

- I determine the main idea of a text and explain how it is supported by key details.
- I integrate information from different texts on the same topic to write or speak about the subject knowledgeably.

Conventions

- I produce complete sentences, recognizing and correcting inappropriate fragments and run-ons.

Math

Whole Numbers

- I can read, write, round and compare multi-digit numbers through 1,000,000.
- I can add and subtract multi-digit whole numbers.
- I can multiply and divide a whole number of up to four digits by a one-digit whole number.
- I can apply my number sense to round and estimate reasonable answers.
- I can represent and solve multi-step word problems using the four operations.
- I can identify and explain factors and multiples of a given number (1 - 100).

Fractions

- I can compare two fractions.
- I can recognize and generate equivalent fractions.
- I can add and subtract fractions and mixed numbers with a common denominator.
- I can decompose a fraction or mixed number into a sum of fractions.
- I can interpret and solve word problems by applying all four operations related to fractions.
