

August 21, 2020

Dear 7th and 8th Grade Families,

On behalf of our entire faculty and staff, we hope this summer has been a happy and safe one for you and your family. We are excited to welcome back our students to the 2020-2021 school year. This afternoon, student schedules (Remote and Cyber) will be released through the parent portal. If you do not have a parent portal account, one may be created for you by clicking [here](#). Please review your student's schedule and reach out to the appropriate counselor with any questions or concerns. The contact information is listed below.

On **Thursday, August 27**, we will release a "Parent Orientation" video to help clarify the student expectations for the start of the year. I have also attached the letter that was previously sent describing the Remote 2.0 learning schedule. Please feel free to reach out with any questions.

Lastly, while core textbooks (Remote and Cyber) will be located online, the 7th grade Social Studies Department would like to issue a hard copy to all students. Hard copies for other core classes are also available for any student who would like to receive one. An alphabetical schedule has been created to help organize the pick-up. Please see the list below. A pick-up area will be located in the front of the school.
