

BAYARD RUSTIN HIGH SCHOOL

THE GOLDEN KNIGHT

January 28, 2020

Dear parents and families,

As January winds down, please reach out to your child's teacher or guidance counselor if you have any concerns or need any help. There is still plenty of time to act if your child is in need of support. All of our teachers are willing to help, and your child has a team here to support them. Please do not hesitate to let us know what we can do.

Enjoy the Super Bowl!

Message from the Post Prom Committee...

Hello Rustin Parents,

No one can change the world in a night, but Post Prom hopes to reduce the risks faced by our teens through this memorable, no-cost choice for our youth to continue their prom night celebrations. Since there is no cost for students to attend, the help of parents, administrators, faculty, and local businesses and organizations *like yours* are critical to continue this event. Post Prom 2020 donations are significantly lower than in years past. We need your help!

Post Prom receives no funding from the school or district and is a separate fundraising entity from Rustin PTO. If you are not yet the parent of a senior, you will be one day, so please consider “paying it forward” so that Post Prom is still running when your student dons their cap and gown!

You can contribute via the Post Prom website - <https://rustinhspto.weebly.com/post-prom.html> - or send your donation to the Rustin front office payable to "Rustin Post Prom." Any amount is greatly appreciated! Please put in an envelope marked Post Prom.

Grades 9 -11: \$25/family

Seniors: \$35/family

If you own or work for a local business, sponsorships are available at various levels and are a great way to show your active concern for our youth. The 2020 sponsorship form can be found on the Post Prom website. See link above. We appreciate your help!

Junior Karisma Jaini will be published in the latest Pear Shaped Press Anthology of Feminist writing! Here is the link to their site: <https://pearshapedpress.com/>. Karisma’s piece is “To the women who shaped me”. She submitted it during a second period study hall, which just boggles my mind.

Congratulations to 9th grader Gavin Snyder for raising \$3,000 for the Brandywine SPCA with his amazing display of Christmas decorations! Gavin was recently recognized in the Daily Local for his efforts.
