Every student at East Goshen has art once every four-day cycle for 50 minutes.

All grades work with a variety of media to create art projects. Some examples are weaving, paintings, drawing, printmaking and collage. Everyone also creates one clay projects each year.

Here are some of my favorite lessons:

Kindergarten- Abstract shape paintings and butterfly collage

1<sup>st</sup> grade- Piet Mondrian primary color picture and paper weaving with warm and cool colors

2<sup>nd</sup> grade- Wayne Thiebaud cake drawings and Georgia O'Keeffe flower paintings

3<sup>rd</sup> grade- Yarn weaving projects and papermaking

4<sup>th</sup> grade- Clay pinch pot creatures and All About Me pop-up books

5<sup>th</sup> grade- Hat making with round looms and optical illusion projects
