# July 2020

 Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
			1 Brainstorm other words (synonyms) for “big”. Try to think of 10 (with your family’s help)!	2 GAME NIGHT! Play your favorite board game with some friends or family members.	3 Write a letter or postcard to a grandparent or friend. Tell them something you have done so far this summer. Mail it.	4 
5	6 Draw a picture of the USA flag or maybe a picture of a Bald Eagle, our country’s symbol.	7 Share a bunch of grapes between 2 people equally. How many did each person get?	8 Learn how to read new words! Write words on index cards and read them. Keep adding to your pile all summer.	9 Blow up a balloon. Try to keep it in the air for 2 minutes without having the balloon touch the floor.	10 Listen to an audio book and draw pictures of what is happening in the story.	11
12 	13 Gather 20 different objects. How many different ways can you sort them?	14 Have a family read-aloud night. Choose a book to share with the whole family.	15 Take a hike with an older family member. What shapes did you find?	16 Play charades! Act out action words (verbs like crawling, throwing, squirming) and see who can guess!	17 Grab a handful of cereal. How many pieces do you think you can hold? Count all the pieces.	18
19	20 Help to write clues for a treasure hunt. Use your clues to lead someone around the house or yard.	21 Play Simon Says with words like over, under, behind, beside, left, and right.	22 Start a word collection! Fill a jar with interesting words that you hear. Practice using the words in a sentence.	23 Draw a picture using only rectangles and triangles.	24 Think about your favorite story and make a puppet of one of the characters. Put on a puppet show!	26 
28	27 Count the total number of steps from your bedroom to the kitchen.	28 Make a card for someone in your neighborhood to brighten their day.	29 Make a list of all of your favorite foods! You can use your list to shop at the grocery store.	30 Circle all of the numbers you can find on a magazine or newspaper cover. How many did you find?	31 With a grown-up, follow a recipe and make a delicious dish for your family.	

# August 2020

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
						1
2	3 List 5 circle-shaped things and 5 rectangle-shaped things in your bedroom.	4 Read one of Aesop's fables or a fairytale. What is the lesson of the story?	5 How many weeks until your birthday? Use a calendar.	6 Write a note to someone in your family and hide it somewhere for them to find	7 How many weeks until your favorite holiday? Use a calendar.	8 
9 	10 Turn your favorite story into a play. Act it out for your family and/or neighbors.	11 Three hats. Each hat has 4 feathers. How many feathers in all? Draw a picture to show your work.	12 Cut a comic strip apart and put it back in order.	13 Use play dough or clay to make the numbers 0 to 20.	14 Plan a "booknic". Pack your favorite foods and books and find a great spot to eat and read.	15
16	17 Start at 12 and count as high as you can. Write the last number you counted.	18 How many -in and -an words can you write? For example, man, pan, tin, fin.	19 Find 5 things smaller than your shoe. Find 5 things larger than your shoe.	20 After listening to a story, draw a picture of your favorite part and write about why.	21 GAME NIGHT: <b>Addition Compare.</b> Shuffle and split a deck of cards. Each player turns over two cards. Add. Whoever has the highest sum wins	22 
23	24 Write a story about something fun that you have done this summer.	25 How many fingers do you and 2 friends have altogether? How did you figure out the total?	26 Clean out your sock drawer. Match your socks in pairs. How many pairs do you have? How many socks is that? Are there any unmatched socks? Add those into your	27 In your journal, write or draw about a goal you have for the new school year. It could be academic or personal.	28 Celebrate the learning that you have completed this summer! Water Ice or Ice Cream anyone?	29
