Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	
	1	2	3	4	5	6	
7	8 Think of ways that you can be kind, safe, respectful and responsible this summer!	9 What are your summer plans? Make a list of some ideas. Draw a picture of your favorite idea.	10 Make some cookies or open a bag of cookies. Can you share them equally with the people in your household? What will you do the with 'extras'?	11 GAME NIGHT! Play your favorite board game with some friends or family members.	12 Start a summer scrapbook. Include pictures, photos, and writing. You can use it as a daily journal.	13	
	14	15 Choose a recipe, make a shopping list, and then follow the recipe to make a delicious dish.	16 Read 20-30 minutes every day! Swap books with a friend, go to the library, or visit a bookstore.	17 MOVIE NIGHT: Make some popcorn. Estimate how many kernels didn't pop. Round that number to the nearest 10, the nearest 100.	18 How many words can you make with the letters 'SUMMER VACATION'? Make a list.	19 Find a pen pal for the summer. You can choose someone near or far away.	20 
21	22 Make a chart to keep track of all of the books that you are reading this summer. Set a goal for yourself.	23 If you're traveling this summer, read about the area and then make a list of what you will do there.	24 You have blue, orange, and green shorts and white, blue, red, and black shirts. How many different outfits can you make?	25 GAME NIGHT! Play your favorite card game with some friends or family members.	26 Do some repeated reading with the book you are reading to improve your fluency and expression.	27	
28	29 Consider how you can help a neighbor or family member. Make a list of ideas. Ask your family to help you choose.	30 You have 50 pretzels to share between yourself and two friends. How many can you each get? Will there be any left?					

July 2020

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
			1 Can you use five different adjectives to describe the weather for today? Will the weather change your plans?	2 Look at a grocery store circular. List at least 10 different kinds of fruits and vegetables. Try something new!	3 Help your family make a 4 th of July Cake – use white frosting, blueberries and strawberries on top!	4 
5	6 What does America mean to you? Write in a journal. Illustrate one of your ideas.	7 Show 3 different coin combinations that equal 65 cents.	8 Start a book club. Learn more about getting started at Book Club for kids	9 How many hours of sleep did you get last night? How many minutes is that? 1 hour = 60 minutes. Use <i>number strips</i> ?	10 When you are reading, look for multiple meaning words (ex. roll (down hill) and roll (bread)) Tricky!	11
12 	13 Find a graph in a newspaper, magazine or online. Write two things that you learned from the graph.	14 How many Saturdays are in this month? Which month in 2020 has the most Saturdays?	15 How many toes and ears are in your family? How did you figure it out? Count by 25 to 500.	16 Start a word collection! Fill a jar with interesting words that you hear. Use the words when you talk.	17 Draw 9 cookies and color three brown. Write the fraction of the cookies that are brown.	18
19	20 List things that come in pairs, threes and fours. Are there more wheels on 4 tricycles or 3 toy cars?	21 Estimate how many jumping jacks you can do in one minute. Try it and see how close you came!	22 Brainstorm other words (synonyms) for “said”. Try to think of 10 (with your family’s help)!	23 Estimate how many windows are in your house. Count the total windows. How close was your estimate?	24 Look in books and magazines for words that have vowel teams (ea, ie, ee, oa, oi, oy).	25 
26	27 Write your phone number and add all the numbers together. What is the total?	28 Find 3 non-fiction and 3 fiction books in your house. What is the difference between fiction and non-fiction?	29 Find 5 big words that you don’t know. Mark the vowels to figure out what kind of syllable and divide it.	30 Have fun with Tangrams! Digital Tangrams or Tangrams to print and cut out	31 Play Multiplication Compare – shuffle and split a deck of cards. Each player puts down two cards. The highest product wins. J= 11, O=12. K=13	

August 2020

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
						1
2 	3 Fold a napkin into a shape with six sides. Name that shape and count the corners. Are the corners all the same?	4 Write a note to someone in your family and hide it somewhere for them to find later.	5 How many weeks until your birthday? Use a calendar. What date will it be in three weeks?	6 Read poems with your family. Try to memorize one and act it out!	7 You have 13 pennies, 3 nickels, 2 dimes, and 2 quarters. How much money do you have?	8 
9 	10 What happens to a puddle if it is a sunny day? Why? Talk to a family member or friend.	11 Hold an ice cube outside. Count by 2's until it melts. Write the last number you said.	12 Cut a comic strip apart and put it back in order. You can make your own comic strip.	13 Hold an ice cube outside. Count by 5's until it melts. Write the last number you said.	14 Cut words out of magazines or the newspaper and use them to make a silly story.	15
16	17 List 4 objects in your house that have at least one line of symmetry. What about some items in your house?	18 Plan a "booknic". Pack your favorite foods and books and find a great spot to eat and read.	19 What shape is a soda can? Tell 3 things about the shape. Find 10 objects with the same shape.	20 Choose a book to read. After reading, try to figure out the characters, setting, problem, and solution.	21 GAME NIGHT: Play your favorite board game with family or friends.	22
23	24 Which is more – two five-dollar bills or fifty quarters?	25 List 5 things that are about 1 inch long and 5 things that are about 10 inches long. Then measure them. How close were you?	26 Play charades! Act out action words (verbs like limping and slithering) and see who can guess!	27 Practice your multiplication facts. List the first twelve multiples of each – 2's, 3's, 4's, 5's and 10's.	28 Celebrate the learning that you have completed this summer! Water Ice or Ice Cream anyone?	29
30	31
