

 <h2 style="text-align: center;">June 2020</h2>						
Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
	1	2	3	4	5	6
7	8 What are some ways that you can be respectful, responsible, kind, and safe this summer?	9 Read at least 30 minutes every day. Swap books with a friend, go to the library, or visit a bookstore. Keep a log.	10 Of all the ancient civilizations that you studied, what was your favorite and why? Write your thoughts in your journal.	11 GAME NIGHT! Play your favorite board game with some friends or family members.	12 Create an art project using recycled materials, such as a collage or a sculpture. What did you choose to use?	13
14 	15 Be an advertising person. Create a poster, jingle or another kind of ad to get people interested in your product or idea	16 How many wheels are there for 8 tricycles and 12 bicycles? What other combination of tricycles and bicycles would have the same	17 How many words can you make with the letters 'SUMMER VACATION'? Make a list.	18 If you're traveling this summer, read about the area and then make a list of what you will do there.	19 Make a list of fun things you would like to do. Write to your parents and persuade them to let you do one of them.	20  <b>IT'S SUMMER!</b>
21	22 Start a journal and write in it every day. Make it into a scrapbook and then include photos, etc.!	23 Become pen pals with someone. Write a letter to a friend or relative. Be sure to mail it	24 Look at a grocery store circular. List at least 10 different kinds of fruits and vegetables. Try something new!	25 GAME NIGHT! Play your favorite card game with some friends or family members.	26 Do some repeated reading with the book you are reading to improve your fluency and expression.	27
28	29 Consider how you can help a neighbor or family member. Make a list of ideas. Ask your family to help you choose.	30 Have someone measure your height in inches. What is that in feet and inches? Now measure their height to the nearest half-inch.				

*Typing Pal* and *Freckle* are available all summer. Access them through your school's webpage.

 <h1 style="text-align: center;">July 2020</h1>						
Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
			1 What is the greater product? $69 \times 82$ or $89 \times 62$ ? How do you know? Multiply to find out.	2 Write a word problem whose answer is 12. Have someone solve the problem. Try using multiplication or division, and parenthesis.	3 What happens when you subtract more than what you have? When can this happen in real life? Write a word problem that shows this situation.	4 
5	6 Learn a patriotic song or read a patriotic poem. Sing or Read it aloud for family or friends.	7 You went shopping with a \$10 bill and spent \$6.47. Is your change more or less than 30 dimes and 20 nickels? Prove your answer.	8 Make a list of all the ways you can help yourself to stay safe in the summer weather.	9 Draw a Fahrenheit thermometer. Label the freezing and boiling points. Ask an adult to help you time how long it takes a pot of water to boil.	10 Start a word collection! Fill a jar with interesting words that you hear. Use the words when you talk.	11
12	13 Compare today's highest temperature with yesterday's. What's the difference? Which temperature felt better to you? Why?	14 Think about what type of job you would like to have. How is math used in that job? Talk to family about their jobs.	15 What happens when you add two even numbers? Two odd numbers? Explain your answer.	16 Scavenger Hunt: Find 2 rectangular and 2 cylindrical objects around your home or yard and sketch them.	17 Multiply an odd number by 9, by 2, and by 3. What do you notice about the product each time? How about an even number?	18 
19 	20 Visit the library and find a historical fiction book. Read it with a grown-up.	21 Take the measurements of your bedroom in both customary and metric units. What size rug would you need?	22 Plan a meal for your family. With an adult, make a list of the ingredients, go shopping, and then follow the recipes.	23 How much wallpaper border would you need to go around your bedroom walls?	24 Write a note to someone in your family and hide it somewhere for them to find later	25
26	27 Add the 10 digits in your phone number. Can you divide the sum by 3 without a remainder?	28 Explore a new magazine together and talk about the facts that you learned.	29 Visit a historical landmark in your area. Write about the experience.	30 Write the first five multiples of each odd number through twelve.	31 Sit under a tree and read or write a poem.	

# August 2020

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
						1
2	3 Write a schedule for tomorrow that includes the hours and minutes of your activities.	4 Record yourself reading a story and email it to someone far away.	5 Set the table for supper. Find the total number of plates, glasses, forks, knives, and spoons. Draw a picture of the table.	6 Play charades with your family. Take turns acting out book titles and characters.	7 Make a data table to record the high temperature for the next 7 days starting today.	8 
9 	10 Think about your favorite character or scene in a book and write a descriptive paragraph about it.	11 What is the bigger amount? Half of an eight slice pizza or Two quarters of a twelve slice pizza? Use pictures and/or words to prove your answer.	12 Brainstorm other words (synonyms) for “fun”, “awesome”, and “said”. Try to think of as many as you can!	13 If you pack 3 shirts (yellow, red, and green) and 2 pairs of pants (black and blue), how many outfits can you make?	14 Get access to an audio book. As you listen, close your eyes and make a movie (visualize) in your head or draw pictures.	15
16	17 Make a hundred chart. Circle all the multiples of six and eight. What patterns do you see?	18 Retell a story or movie including who, what, when, where, and why.	19 Write an acrostic poem about your ‘SUMMER’.	20 Use your daily temperature data to make a graph. Explain the graph to a grown-up. Predict next week’s temperature.	21 How many ways can you make a dollar using pennies, nickels, dimes, and quarters? What if you also included half-dollars? Organize your work.	22
23	24 Write captions for family photos.	25 How was this summer the same as in the past? How was it different? Record your thoughts in your journal.	26 A farmer has chickens and cows. What combination of animals could total 48 legs? Are there other combinations?	27 What are your goals for this coming school year? Record your thoughts in your journal. Include academic and personal goals.	28 Celebrate your great learning this summer. Water Ice or Ice Cream anyone?	29
