

The West Chester Area School District Superintendent Search Update

August 8, 2023

Dear WCASD Parents, Guardians, Students, Staff and Community:

The interview phase of the search is underway! The Board received 36 highly qualified and diverse candidates from 8 different states. The Board screened and selected eight candidates for the first round of interviews. At the conclusion of the first round, the Board will select the candidates who best meet the needs of the district and invite them to the next phase of the interview process.

We anticipate all interviews to be completed by the end of August. Our goal is to have a candidate for approval as our next Superintendent in September.

We thank everyone who has participated in our 10 staff, student and community focus groups and the nearly 1,000 participants that have completed the stakeholder survey. It is from your input that the candidate criteria and interview questions have been developed. Our collective partnership is what makes West Chester Area School District a great place to live, work and learn!

Thank you for your continued support as we work to select an outstanding educational leader who will continue WCASD's strong tradition of excellence.

If you have any questions, please contact the CCIU Executive Search Team at WCASDSuptSearch@cciu.org.

Sincerely,

Board of School Directors
West Chester Area School District
