Dear WCASD Parents, Guardians, Students, Staff and Community:

The next round of the interview phase is underway! The Board received 36 highly qualified and diverse candidates from eight different states. After thorough screening, the Board had chosen eight candidates for the first round of interviews. At the conclusion of the first round, the Board selected two candidates who best meet the needs of the district and invited them to the next phase of the interview process.

We are currently on schedule to have all interviews completed by the end of this month and to have a final candidate for approval as our next Superintendent in September.

Thank you again for your participation in the focus groups and stakeholder survey. Your input has significantly contributed to shaping the candidate criteria and interview questions.

Thank you for your continued support as we work to select an outstanding educational leader who will continue WCASD's strong tradition of excellence. We look forward to providing you with a final update in the near future.

If you have any questions, please contact the CCIU Executive Search Team at [WCASDSuptSearch@cciu.org](mailto:WCASDSuptSearch@cciu.org).

Sincerely,

Board of School Directors  
West Chester Area School District
