Subject: WCASD Superintendent Search Update – September 1, 2023

Dear WCASD Parents, Guardians, Students, Staff and Community:

The WCASD Board of School Directors is pleased to share updates on the current superintendent search process and plans for a successful transition.

We are reaching the final stages of the selection process for a new superintendent of schools for the district. We are very proud that our district's reputation for excellence attracted many highly qualified candidates. The Board is in the process of rigorous interviews to determine the degree of fit between the community's criteria and the candidate's professional experiences. The Board is committed to matching the community's expectations with the right candidate.

For first-round screening interviews, the Board selected eight candidates. At the conclusion of the first round, the Board identified two candidates to advance to second round interviews. Now that interviews are completed, we are in the process of conducting reference checks. The Board anticipates voting on the appointment of the selected candidate in September.

We appreciate your continued support and look forward to announcing the finalist candidate once selected for board approval. If you have any questions, please contact the CCIU Executive Search Team at [WCASDSuptSearch@cciu.org](mailto:WCASDSuptSearch@cciu.org).

Sincerely,

Board of School Directors  
West Chester Area School District
