

## Track Team Collects For Those In Need Around the Globe

This spring, our Track and Field Team organized and executed a used item drive to support an organization called Fashion Republic (<http://www.fashionrepublicinc.com/index.php>). The team collected over 2470 pounds of clothes, shoes, toys, bags and other items that will be refurbished and donated to thrift stores and homeless shelters around the world.

Thanks to all of our families and staff members who contributed to the drive. We had a great turnout of parents and students helping out despite the 30 degree weather! Again, thank you from the Rustin Track and Field teams.
