

# SWIM TEAM ZOMBIE RUN LEADS TO LARGE DONATION

With proceeds from its recent 5K Zombie Run, the Rustin Swim & Dive Team recently donated \$1000 to the West Chester Food Cupboard. The event was featured on the front page of the Daily Local ([click here for article](#)).

This money was donated in addition to the \$245 in grocery gift cards and 410 lbs of food donations. The West Chester Food Cupboard was founded in 2009 and is a non-profit organization operated by a dedicated team of unpaid volunteers. They currently serve well over 600 households every month and provide them with a variety of much needed food and personal care items. The West Chester Food Cupboard is an equal opportunity provider and members of the community provide nearly all of the contributions that they receive.

In the photo are Rustin swimmers Nick Villone, Kailyn Bates, Shannon Montgomery, Grace Cholden, Coach Andrew Austria, and race coordinator Kathy Bates.

We are very proud of our swimmers and divers for giving of themselves to support a great local cause.

Go Knights!
