Rustin Teams Raise Nearly \$10,000 for Cancer Cause

Thanks to the tremendous efforts of our athletes, parents, and coaches, Rustin's 2014-2015 sports teams raised just under \$10,000 this year to support the local non-profit organization UniteForHer. UniteForHer, which is led by former Rustin parent Sue Weldon, has partnered with Rustin sports teams over the past several years.

Since 2009, Unite for HER has worked to bridge the gap between the medical and wellness communities by educating women diagnosed with breast cancer about complementary therapies, providing them with a compassionate resource for support, knowledge and healing. For more info on UniteForHer, please visit <http://www.uniteforher.org/>.

Part of what UniteForHer does for the schools with which it works is provide a grant to a family from the school that has been affected by cancer. This year, that grant was roughly \$2200. We are proud to continue to have our teams and athletes work with UniteForHer to help support local families affected by breast cancer, and we appreciate the folks at UniteForHer working with us.

Pictured below is our baseball team prior their Pink Game, which was the most recent UniteForHer event this spring.
