When School is Closed, Kids Go Hungry

The Cougar Cause and the West Chester Food Cupboard

When school is out, children who rely on school programs for breakfast and lunch often go hungry. Please help everyone in our community have a happy and healthy summer. The blue bin in the front entrance is available for you to drop off non-perishable food items and personal care items through the last day of school. Peanut butter, jelly, pasta, canned fruits and vegetables, and cereal are all good options; but any contributions you can spare will be gratefully accepted. Thank you for your support of our neighbors.

Students and Parents should be reminded that the expectation of a student athlete has always been that they are ambassadors of the school and represent the school when traveling to an away game. For the safety of all students and for the image that, as a school, Fugett wants to portray to others, any misbehavior on the bus or at an away game will not be tolerated and there will be consequences for poor student behavior. Fugett students have been regarded as exceptional young men and women who treat others with respect and exhibit good sportsmanship. We do not want to tarnish this image.

NURSE NOTES

Warmer Weather

As the weather gets warmer please encourage your children to remain hydrated. This is especially important for those students who are active after school. Please encourage your child to bring extra water to stay hydrated during practices and games.

As the sun stays out longer please remind your children to wear sunscreen. Many of our students stay for outside practice after school. Please encourage them to bring sunscreen and apply it before practice.

Seasonal Allergies

It is that time of year when all of the beautiful flowers and trees begin to bloom. For some people those beautiful flowers and trees can cause numerous allergy symptoms. Itchy, watery eyes, running noses are just a few symptoms that people with seasonal allergies may need to endure. These symptoms can be greatly interfere with a student’s ability to concentrate and make them feel poorly.

Medications to treat seasonal allergies are not available here at school. If your child is prone to seasonal allergies, please be sure to administer their medication at home.

Hello Chorus Members and Families,

I thought it might be helpful to remind all Chorus students and families that our Spring Concert Season here at FMS begins in just a few weeks! The students have been working very hard over the last 4+ months to prepare for this culminating activity, and are excited to entertain you and the rest of the community!

This year’s Spring concerts are as follows:

Wednesday, 5/10: 6th Grade Chorus
Thursday, 5/18: Chorale and 8th Grade Chorus
Tuesday 5/23: Chorale and 7th Grade Chorus

All concerts begin at **7pm**, with all student musicians reporting to the Fugett Cafeteria at **6:30pm**, where they will be asked to sign in and report to their respective rows/spots.

To prepare for this event, I ask families to do three things:

- Encourage your children to continue to practice their chorus music at home. All music and practice tracks are available on Schoology, and it’s my expectation that they practice 10-15 minutes a day to be prepared for their concert.
- Make sure your child will be able to attend the concert. According to the District Concert Attendance Policy, every student in a performance class is required to attend two concerts a year unless they are ill or have a family emergency. If your child needs a ride to the concert, please contact me immediately so I may help you find assistance if possible.
- See the Concert Attire Policy below and make sure your child has the chorus uniform. If you have any questions about the attire or need assistance acquiring the right clothes for the concerts, please contact me privately and I will be happy to connect you with the PTO, who are eager to help.

**Concert Attire Policy**

Cougars Stomp Cancer – Relay for Hope
for Bringing Hope Home
Thursday, June 1st

On Thursday, June 1st, Fugett Middle School will host the Cougars Stomp Cancer Relay for Hope. The goal of this event is to raise money for Bringing Hope Home while fostering a sense of community, philanthropy, empathy and healthy lifestyles. At Relay for Hope, Fugett students and staff will walk, jog, run, and relay throughout the school day to show their support for local families with cancer.

Fugett’s goal is to raise $15,000 for local families with cancer who may be struggling to pay their bills while undergoing cancer treatment. All Fugett students have created a fundraising webpage. Please consider a donation to the Cougars Stomp Cancer Relay for Hope for BHH by clicking on the link below, searching for your child’s name and sharing their fundraising page with family and friends via email or social media. All students will also be given official BHH fundraising envelopes that can be used to collect cash or check (made out to Bringing Hope Home) donations.

The Franklin Institute Traveling Science Show

On Tuesday, May 2nd - FMS 7th graders attended a special assembly presented by The Franklin Institute: Astronomy - Light, which has been developed in conjunction with NASA.

During this 45 minute assembly, students learned about the behavior of light and how it can be used to learn about objects that are too far away to visit. They also learned what light can show us about the sun, moon, planets, and stars.

This special assembly was possible thanks to a grant from the West Chester Area Education Foundation (WCAEF). Thank you WCAEF - the students really enjoyed the program!
